HOT news

In November 2008, the AUN/SEED-Net Open House was held at four Sending Institutions, namely HCMUT, HUT, ITC and NUOL. Alumni at the respective SI joined the event and shared their experience under the AUN/SEED-Net scholarships as well as their past/ current research work. Big number of interested participants joined.

Besides, a meeting between the Secretariat office and the alumni at each SI (except for NUOL) was held on the same day of the open house to obtain update information of the alumni and introduce alumni activities.

The same event is planned for **UGM on 10 Mar 09 (tentative)** and **ITB on 11 Mar 09 (confirmed)**.

@HCMUT on 13 Nov 08

@HUT on 14 Nov 08
