VENUE OF THE CONFERENCE

Newly renovated and more smartly appointed to exude an elegant ambience, Hotel Benilde Maison De La Salle in Malate, Manila, Philippines offers stylish accommodations and extensive services. In effect, it is defining a hotel experience that's sleeker and more complete. Each room is refurbished with unique and state-of-the-art features, which include a 40-inch LED Smart TV, free high-speed Wi-Fi Internet access, and automated service-calling system. A range of facilities and services, which advocate sustainable practices, welcomes guests with business, leisure, or both in mind. These include a plunge pool, gym, 24-hour business center, and efficient meeting amenities.

De La Salle University
Chemical Engineering Department

in collaboration with the

ASEAN University Network/Southeast Asia Engineering
Education Development Network (AUN/SEED-Net)

invites you to the

**10th Regional
Conference
on Chemical
Engineering
(RCChE 2017)**

*Sustaining Chemical Engineering
Ingenuity and Breakthroughs Towards
a Successful ASEAN Integration*

06 (Mon) ~ 07 (Tue) November 2017

Hotel Benilde Maison De La Salle

Arellano St. cor. Estrada St., Malate, Manila,
Philippines

OBJECTIVE OF THE CONFERENCE

1. To share recent research trend, the most updated technology and experiences among academicians, industry, community, and policy makers related to a regional common issue.
2. To publicize research progress and outputs of collaborative research related to a common regional issue.
3. To review, discuss and design annual implementation plan for AUN/SEED-Net activities in each field and direction of collaborative research related to a common regional issue.
4. To extend and strengthen research network among MIs, JSUs, industry, community, and policy makers.

SCOPE OF THE CONFERENCE

Scope covers all areas of research within Chemical Engineering at large. Contributions for **oral and poster presentation** in the following areas are welcome:

Fundamentals of Chemical Engineering

- Reaction Engineering and Catalysis
- Process Simulations, Design and Control
- Separation Process
- Solution Thermodynamics

Application of Chemical Engineering

- Processes for Energy and Environment
- Biochemical and Biomedical Engineering
- Advanced Materials and Nanotechnology
- Food and Biotechnology
- Oil, Gas and Petroleum

Chemical Engineering Education

REGISTRATION FEE

Foreign Participants

Regular Fee*	USD 250
Student Fee	USD 150

Philippine-Based Participants

Regular Fee	PHP 3,500
Student Fee (Kit only)	PHP 1,500

*Registration is waived for all AUN/SEED-Net related participants as stated in guidelines.

CONFERENCE SECRETARIAT

IMPORTANT DATES

Abstract Submission
01 Jul 2017 (Sat)

Notification of Abstract Acceptance
15 Jul 2017 (Sat)

Submission of Full Paper
15 Aug 2017 (Tue)

Notification of Full Paper Acceptance
15 Sep 2017 (Fri)

Conference Date
06~07 Nov 2017

EXTENDED ABSTRACT SUBMISSION

Interested authors are requested to submit extended abstract in MS Word format to

10th.rcche.dlsu@gmail.com

Submissions should include the following information:

- ✓ Title of paper
- ✓ Authors, affiliations and contact details (e-mail address, postal address and fax number)
- ✓ A body of 300 – 500 words
- ✓ 3 – 6 key words
- ✓ Type of presentation preferred (oral or poster)
- ✓ Text should be in Times New Roman with a font size of 12 points. Units used should be in SI.

Deadline of abstract submission is on **01 July 2017 (Sat)**
